SERMON OUTLINE

22 November 2026 (Christ The King Sunday)

Sermon Title: **Selah**
Scripture Text: **Psalm 46, Luke 23:33-43**
Preacher: Rev Dr Andrew Peh

What is one word you would use to describe the world we live in today?

Looking at Psalm 46, how may one ‘section’ the psalm?
Why so?

How do we understand the passage on Luke 23:33-43 in light of Psalm 46?

Christ the King Sunday is celebrated on the last Sunday of the liturgical year, which marks the climax and conclusion of the liturgical journey in Church's meditations of the life of Jesus Christ. Unlike the other liturgical observances, Christ the King Sunday was a more recent addition into the Christian calendar. The primary purpose is to proclaim the reign of Christ as King. It is a celebration of the return of the King, marking the fullness of the Kingdom of God.

But what is the significance of "selah"?

We are reminded that amidst all the hype, the hubris and the hullabaloo... **keep still and know that Christ is King!**
